### Lining

Lining is sewn into top and side seams with the bottom open

- Unlined - No lining
- Lined - 80% polyester/ 20% cotton white lining
- Inter-lined - Lined + inner-lining of 100% flannel cotton

Inter-lining is two layers of lining that provides R9 thermal insulation and blackout room darkening.

### Weighted corners

Your drapes will hang beautifully when you add our square drapery weight into the bottom hems

- Yes  No
